### Public Carriers

(a) Subject to the other conditions of the existing agreements, the total number of permits (other than temporary permits issued under section 62 of the Motor Vehicles Act, 1939) for public carrier goods vehicles for operation on interstate routes between Tamil Nadu and Kerala, on single point tax shall be fixed as 3800 and the number of such permits issued in each state shall not exceed 1900.

(b) The quota of such public carrier permits of each State to be countersigned by other State, in accordance with the proviso to sub-section (3) of section 63 of the Motor Vehicles Act, 1939, shall be 1900, the position being reviewed when the number of permits in any one State reaches 1875.

### Explanatory Note

(This is not part of the notification, but is intended to bring out its main purport).

As per the existing interstate agreement between the Governments of Kerala and Tamil Nadu the quota of public carrier permits for interstate operation between the two states on single point tax basis is fixed as 1400. As all the 1400 permits allotted have been fully utilised by both the states and as there is pressing demand for operation of more number of such vehicles, both state Governments have agreed to enter into a supplementary agreement enhancing the number of public carrier permits for interstate operation from 1400 to 1900. This notification is intended to achieve the above purpose.
